Travis Hilkey used a map from the City dated 2010 to show the existing water lines and spigots at the airport. He added a line and a spigot between his and 3 other hangers. He was asked to cut it because he didn't have approval. He and Lee Orr would like the Council to look into this because of the 8 existing spigots and approve him putting in one more for irrigation and fire protection. They would also like clarification on the City's responsibilities and the Airport Improvement Clubs responsibilities at the airport.

EV Charging Solutions-

Charlie Botsford from EV Charging Solutions gave an overview of what they do and what the City will get if they get approved for the grant for the ev charging stations. Tonasket would receive two quick charging stations that each have two car chargers. The City will not be charged for any expenses incurred. They will install, maintain, pay the power bill and pay rent for the spot. They just need a letter of intent to add Tonasket to the grant.

Motion to approve the City of Tonasket sign a letter of intent to EV Charging Solutions for charging stations to be placed in a location to be determined at a later date. M/Weddle, S/Alexander. Carried 3:1. McMillan voted no.

Picatti has completed the well project. There was an additional \$345.00 for some wire that was not included in the original quote. The original quote was \$23,392.60, with the addition of \$345 the final amount is \$23,766.94. **Suggested Motion: I move to authorize payment to Picatti Bros in the amount of \$21,390.25 (which is less 10%) then when all applicable paperwork has been received, the final payment of \$2,376.69 will be paid, which in turn approves the additional cost of \$345.00 plus tax.**

Five Mile Flooring has completed the work at the swim pool. The original quote was for labor only, in the amount of \$10,500, plus tax of \$892.50=\$11,392.50. Additional time was needed, \$1250.00, and material, \$2,540.00 making the final amount due, \$15,504.65. **Suggested Motion: I move to authorize payment to Five Mile Flooring in the amount of \$13,954.18 (which is less 10%) then when all applicable paperwork has been received, the final payment of \$1,550.47 will be paid, which in turn approves the additional costs of \$1,250.00 and \$2,540.00 plus tax.**

Attached you will find the current Airport Land Lease and a list of items from the Airport Committee.

Six Year Transportation Improvement Plan public hearing will be held at the regular City Council meeting on June 27th. Kurt has sent a list and I have included the list of our current STIP projects in priority order. Please review and have your priorities for the June 13 meeting.

Annually, the opening day of the pool is a free swim day. Last year the opening day and the annual BBQ were the same day. This year that is not the case. The BBQ will be on July 15th. I suggest that also be a free swim day. **Suggested Motion: I move to have a free swim day at the Tonasket Community Pool on opening day June 12th, 2023 and July 15th, 2023.**

The Forest Service has suggested the city enter into an agreement for use of the Tonasket Airport for air support during fire season. (The agreement attached is not correct.) Will be bringing the correct agreement to Council. **Suggested Motion: I move to approve the agreement with the USDA – FS for use of the Tonasket Airport.**

For your information, I have included a traffic report for the time period when the City had use of the County's portable speed sign. (I have not given up on finding a portable speed sign for the City to have permanently.)
