

CALL FOR QUOTES

CITY OF TONASKET

The City of Tonasket is requesting quotes to replace the roofing on an approximately 4,000 square foot Public Works Shop Building and replace miscellaneous damaged ceiling and wall. Interested contractors can request a detailed scope of work by calling (509) 486-2132 or in person at the Tonasket City Hall 209 Whitcomb Avenue, South, Tonasket WA 98855, Monday thru Friday 8:00 AM-4:30 PM; local time. Sealed quotes will be accepted until 4:30 pm, July 23, 2020. The City of Tonasket reserves the right to reject and all quotes. This is a Public Works Project.

TONASKET PUBLIC WORKS SHOP ROOF REPAIR

Scope of Work: Notice: Project site has been found to contain various microbial growth and staining (aka mold); Selected Contractor is responsible for proper PPE and worker handling of said material. Remove & properly dispose of all existing roofing assemblies, damaged ceiling and wall covering as marked. Verify roof framing and skip sheeting is not in need of repair prior to reroofing and treat all microbial growth/stained areas with commercial grade anti-fungal treatment. Acceptable roofing materials to be considered can be Delta Rib metal roofing with 15# felt underlayment. Acceptable ceiling covering is not less than ½" ceiling rated GWB and wall covering is not less than 7/16 OSB. Contractors shall provide and follow the manufacturer's listed installation requirements. Warranty shall not be less than fifteen (15) years for the materials and one (1) year for labor. If additional work is needed it can be addressed by submitting a change order with time and material. This is a Public Works Project.

For more information, and arrangement of a pre-quote site visit you may contact Public Works Director Darren Johnson at (509) 322-7432.
